The screenshot displays a Windows 10 desktop environment. On the left, a Command Prompt window is open, showing the following text:

On the right, the Windows Settings app is open to the 'Your info' page. It features a circular profile picture of a man in a suit standing at a podium. Below the picture, the name 'VISHAL K' is displayed, followed by the email address 'vishalinvincible21@gmail.com' and the role 'Administrator'. Further down, there are links for 'Billing info, family settings, subscriptions, : more', 'Manage my Microsoft account', 'You need to update some info for your Mi Update info', and 'Sign in with a local account instead'. At the bottom of the settings page, there is a link to 'Create your picture'. The Windows taskbar at the bottom shows the Start button, a search bar with the text 'Ask me anything', and several pinned application icons including File Explorer, Microsoft Edge, and Google Chrome. The system tray on the right indicates the time as 3:39 PM on 1/23/2017.
